2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The water rates are already too high. They are the highest I have paid after living in Canton, OH, Atlanta, GA and Birmingham AL.

I have lived at the above address since 1993 when the water rate averaged \$54/month increasing to the mid \$60/month in 1998-2002 and then in the mid \$70/month up to now. This is for two people and we are gone 50% of the time.

I really don't know why the rates are so high and can not believe someone is considering raising them even higher. I think it is unconscionable to consider raising the rates 80%.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
